## Ports of Call

### New Orleans

New Orleans has many major attractions, from the world-renowned French Quarter to St. Charles Avenue, home of Tulane and Loyola Universities. According to current travel guides, New Orleans is one of the top ten most visited cities in the United States.

### Costa Maya

This unspoiled coastal paradise in the Yucatan sprawls off the beaten path with brilliant butterflies, exotic tropical birds, deer, monkeys and even jaguars roam this pristine jungle.

### Belize City

Long before the 17th-century powers fought over Belizean sovereignty, a complex Mayan civilization flourished here. Today, many of the architectural treasures from that amazing lost culture remain for you to explore in virtually untouched verdant jungles. Highlights include Cave Tubing, Barrier Reef Snorkeling or visit the Mayan Ruins.

### Roatan, Bay Islands

Roatan is a peaceful, eco-tourist's dream. Teeming with marine life and home to some of the best pillar coral in the Caribbean, the pristine Belizean Reef is a diver's paradise and the beauty of Tabyana Beach is always a sight to see.

### Cozumel

The island of Cozumel continues to be known for its fantastic fishing, snorkeling and diving opportunities. And despite the growth of tourism in recent years, the island and its only town, San Miguel, retain much of their original warmth and charm.
